How to submit your manuscript

Please prepare your manuscript following the detailed Instructions for Authors for this journal. They can be accessed from the For Authors and Editors Link Section in the frame on the right hand side of this page.

Online submission via email

For initial submission manuscripts should preferably be submitted via e-mail in the form of a pdf-file or in standard word processing format (e.g. Word) including all figures and tables. Please click on "Submit online" in the For Authors and Editors Link Section on the right hand side of this page. Please submit the following information:

- ☐ Name of the corresponding author
- ☐ E-mail address
- ☐ Full postal address
- ☐ Telephone and fax numbers
- ☐ Title of the manuscript
- ☐ Desired section or sub field as appropriate

and attach your file(s). If the total size of your files exceeds 10MB, please only provide the information specified above and send a CD-ROM with your manuscript by post.

Hardcopy submission

If you are unable to submit your manuscript online please send your manuscript to the responsible editor. Mailing addresses of the Editors can be found on the Editorial Board page or in the Instructions for Authors for this journal.
